Diploma of Building and Construction (Building)

National Course Code: CPC50220
CRICOS Code: 109367H
Delivery Mode: Face to Face
Campuses: 91-97 Islington St, Collingwood, Vic
416-420 (Basement) Collins Street Melbourne, Vic

Duration:

Total duration for this qualification is 72 weeks (including 12 Weeks Holidays). Students study minimum 20 hours a week face to face.

Qualification Description

This qualification reflects the role of building professionals who apply knowledge of structural principles, risk and financial management, estimating, preparing and administering building and construction contracts, selecting contractors, overseeing the work and its quality and managing construction work in building projects including residential and commercial with the following limitations:

- Residential construction limited to National Construction Code Class 1 and 10 buildings to a maximum of 3 storeys.
- Commercial construction limited to National Construction Code Class 2 to 9 buildings, Type C and B construction.

Occupational titles may include:

- Builder
- General Foreperson
- Building Inspector

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment. To achieve this qualification, the candidate must have access to a live building and construction workplace to meet the requirements detailed in the Assessment Requirements of core unit CPCCBC4008 Supervise communication and administration processes for building and construction projects.

Completion of the general construction induction training program specified by the model Code of Practice for Construction Work is required for any person who is to carry out construction work. Achievement of unit CPCCWHS1001 Prepare to work safely in the construction industry meets this requirement.

Builder licensing varies across States and Territories and requirements additional to the attainment of this qualification may be required.

Entry requirements

- 18 years or older
- Completion of Year 12 (Australia) or overseas equivalent
- IELTS 6.0 or equivalent

- Meet Student Visa requirements where applicable
- Prospective students seeking for enrolment at Gen Institute will have to successfully complete a placement test at the required ACSF level of qualification that provides Gen Institute insight into student's capability and helps it make a decision on whether the student possess sufficient LLN skills to pursue the qualification they are looking to be enrolled in.
- Completion of unit CPCWHS1001 – Prepare to work safely in the construction industry, students would be required to undertake training and assessment of this unit at Gen Institute or any other RTO prior to enrolling into this qualification.

Resource Requirements

- PC/Laptop or Tablet
- Speakers/Headphones and a Microphone
- A web camera
- Microsoft Office
- PDF Reader
